## *A Tower of Babel– Gender Bending....An 2021 Update*

The following article was written in November, 2009, at the turning point of our ‘gender apostasy’.

*Gen 1:27 So God created man in his own image, in the image of God created he him; male and female created he them. 2:18 And the LORD God said, It is not good that the man should be alone; I will make him an help meet for him. 2:22 And the rib, which the LORD God had taken from man, made he a woman, and brought her unto the man.*

The newest attack on the Word of God and the minds of our children comes from new “teaching” in our permissive culture: Gender Confusion. Our children from very young ages through ‘sex education’ in the media, tv, books, internet, and social sites and so-called experts, are being taught that there are not just two genders, male and female. Instead they are being told that gender has been forced on them by their parents cultural bias toward two genders. They are taught that they are being programmed by their culture to be a boy or a girl ( a boy baby gets a blue blanket and a girl gets a pink one). They are told everyone is equal. This equality means that there is a need to release them from this ‘bias’ so they can find out who they really are. They are instructed that there are many possible genders that they may choose from. All of these are normal and right and equal, if the child feels that they are right for him or her. Never mind that their minds are not mature until past adolescence to make such a decision if that were even the case. This indoctrination begins in the very early ages using the “inclusive” theory. They are encouraged to believe that it is a normal part of growing up to experiment and find what gender they prefer! Instead of male and female as God created, we now also have these possibilities: ambi-sexual, bi-sexual, lesbian, Be queer, Dyke, Fluid bi-sexual, heterosexual with questions, pansexual, poly sexual, queer, and unalabel. And anyone opposing and disagreeing with this view is said to be homophobic ( fear of homosexuals).

How far have we come in the last 12 years? Has the church held back the tide of apostasy? Sadly, no! CBNNEWS.com article Nov.19, 2018, reads “4,000% Explosion in Kids Identifying as Transgender, Docs Perform Double Mastectomies on Healthy Teen Girls.” Polaris Teen Center website reports that approximately 150,000 American teens 13-17 identify as ‘Transgender’. They state, “Whether or not a youth personally identifies as transgender, there seems to be a growing number of teens that are, in general, rejecting the idea that girls and boys (male and female) are the only options”, caused by “a complex interplay between biological, social, and psychological influences.” This is 1 out of 137 teens identify as transgender today or 3% of adolescent and teen population. “Unfortunately studies show transgender youth suffer significantly poorer health than normal (cis-gender) especially mental health. In fact, research indicates startling numbers of attempted suicides among transgender and gender non-conforming adolescents and teens. American Academy of Pediatrics revealed approximately 50% of transgender youth have either a history of suicidal thoughts or have attempted suicide at some point in their young lives.”

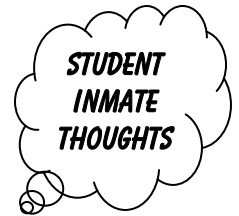

The militant social media, to protect their influence in the lives of young people, have formed ‘a posse’ to denigrate, attack, even **cancel** anyone with an opposing opinion. Our schools now openly invite practicing prostitutes and transgenders into the early childhood classrooms to anesthetize the young people against any opposition and lead them to full acceptance of their ‘difference’. The CDC reports that 0.6% of the adult population in the US identifies as transgender. However, in the latest Gallup Pole LGBT identity is 5.6% of Americans (18,561,159), 11.3% of these identify as transgender. It seems the Tower of Babel has risen higher and higher and now all our children are in more danger than ever before.

*What does Sexual Holiness mean to you? Only a marriage 'covenant' between man and woman is holy in the sight of God. Anything outside this covenant is sin and rebellion against God. There is a reason why the world is in so much turmoil and destruction because of the disobedience and willful sin of the world. We must reject and not accept or be forced upon to promote or do what is clearly against the will of God. Tim in Tn.*

*A Hispanic Brother sends us a \$75 donation and writes:*

Beloved Brother and Sister Sala, The peace of our Lord Jesus Christ continue to give you the peace of His heart that you may collaborate with this beautiful ministry that has devoted so many live to the ways of the Lord by learning through the Bible Studies that His ministry provides. It is a great blessing for those who want to know our Creator. I write for I have sanctified in my heart to make an offering to the ministry. When the Lord now prospers, we must share the blessings for the glory of God. Here I send my offering. May the Lord provide what the ministry lacks. I know it will be like that because He is our provider for our needs. Brothers, if in the future you have new studies, please keep me in mind, ok. A Brother in Christ, Angelo

*One of our favorite, enthusiastic students, on graduation writes:*

Greetings in the Holy, beloved name of our Lord and Savior Jesus Christ. I hope this quick note finds you both well and blessed. I was taken aback with great joy tonight at mail call in receiving my "Open Bible" that you guys were kind enough to send me upon completion of your fruitful Bible School. I love it!! So, I just want to take the time to send my humble gratitude your way for providing such a beautiful Bible for my continued study of God's Word. I can assure you that it will receive much attention in the days ahead. Also, enclosed is another small donation in hopes that it will help spread God's Word in allowing you guys to allocate funds to other areas rather than postage every once in a while. May God pour down His loving blessings on all of you!

Hello, John & Eileen, thank you for all that you are doing for God's Kingdom. I have a great appreciation for your Ministry as it has promoted tons of Spiritual growth into my life. Doing your studies put me to the test, and yes, I have to drill through my Bible to find the answers. I actually would not do a bible study if it was not based solely and soundly upon the Word of God, so thanks. I have made it to the point where I am now close to being released soon! It would really disappoint me to not be able to continue my lessons, even if you have a 'fee' for those individuals who want to take them on the outside. I do want to continue with Little Lambs, Inc. until I complete all your lessons offered. Will you please get in contact with me ASAP? I may be leaving this unit on a transfer to be in a 3 month program called 'Voyager.' I will write to you with that new address when it's revealed. But the Texas prisons do relay mail automatically from prison to prison as we transfer throughout the penal system. I just wanted to say thanks and alert you to my transfer. God bless you both, Richard. Tx. *There is no fee for anyone. All an ex-inmate need do is send us his new address and we'll follow him. We told Richard to just keep in touch.*

Dear Mr. & Mrs. Sala, I want to thank you so much for blessing my soul with your wonderful Bible Study. I learned so much about God's Word in my studies that I feel that I can tell people what I've learned about Jesus. Praise God! Please continue to do what you are doing. Thank you, God bless, Roderic

*A recent Graduate writes:* Dear Friends, I just want to say thank you for everything, for the study also certificate and I just got the Bible! I love it and I just want to say thank you all from the bottom of my heart. I just want to keep falling in love with my Lord and put Him first in my life. Thank you for praying for me. The Lord bless you all! Love from Zebeeda, NY

Hi, Brother & Sister Sala, thank you for the bible study and feed back. I have a question that I have been asking everybody that sends me bible study. When I start to talk to people about Jesus, the first thing that comes out is you are a pagan because Easter and Christmas were pagan holidays that the new Christians stayed with when they were pagans. And I really don't know what to say because I don't have any book to study stuff like that. So I would be grateful for any help because none of my other mentors have told me anything. They just said I will get back with you. I don't doubt that Jesus is God or that he rose again or that I am saved. I know the word is true. Just it get to me not knowing anything about that. Ok . Brothers and sisters ya'll have blessed day and may the Lord keep ya'll under his wing . Your Brother Ruben, Tx. *We wrote to Brother Ruben about the history of Constantine and his effect of the church, encouraging him to study more when he has the opportunity.*

*Another Graduate writes:* Dear John & Eileen, I just wanted to say thank you for all that you are doing to help myself and all the others. Thank you for helping my walk with the Lord, making it stronger, building up my faith and learning God's Word. I will always be putting you in my prayers. Please be safe and well. Please keep up the work that you are doing. You bring so many blessings to us and to the both of you. Your work touches a lot of hearts. Bless you all. Vincent

*Another Graduate writes about that amazing Bible!* Dear John & Eileen, I hope this letter finds you in the best of health, physically, mentally and spiritually. All is well with my soul, praise God! Everything else, according to God's will. :) I am writing to thank you for the gift Bible, I love it!! I am studying the "Christian's Guide" and finding it very informative. I know that I will get many years of study and teaching of God's Word through this precious gift. I was studying to be a Christian Counselor, but I was doing it for the wrong reason, to look good to the Parole Board. So I quit and am waiting for the leading of the Holy Spirit now to the glory of God. I still want to be of service to/for the Lord but now I will not dictate to God what I want and instead wait to see what God wants me to do for Him. I close this letter with a prayer for you and your invaluable ministry. Your Brother in Christ, Greg. PS is there a way I may be able to help your ministry? Tithe? Prayer? Eager to be of service. *We wrote to Greg and encouraged him in Christian ministry and the ministry of prayer.*

Dear John and Eileen,

I am currently doing your Discipleship Training Series and it is a blessing to me as I am finally, after 50 years, getting my act together. Or more appropriately, God is putting me back together the way that I should have been if I would have listened to Him in the beginning. I've led a terrible life and have many amends and apologies to make. Pray for me. I make no excuses for what I've done in my life or blame anyone for what I've become. I would share with you though that I was a severely abused child both physically and sexually by my father. I was mess and I've hurt everyone in my path. My current girlfriend, if you could call it that, she is a crack addicted prostitute who was repeatedly raped and sodomized by her father beginning at 14 until she ran away at 17. She is dying of emphysema and I am taking the best care of her as I can from here. Pray for her. She is trying to change her life too as she has noticed changes in me. Praise God. She didn't like it at first saying she wanted her old Joey back but she is intrigued by the peace I have found and impressed by my drug and alcohol sobriety for the past 15 months since I've begun to seek God. Please pray for my mother who has had a minor stroke at 75 years old. I know that you must receive lots of mail from other inmates with similar problems and life experiences as they are common in prison. But it no longer feels like a burden or a source of shame. It feels like motivation to help someone to find God so they too can be healed. If I can help Karen to find God and be healed from the evil spirits that control her, all that I've been through would have been worth it. Even though she is currently a mess, she is a good, kind, trusting person and I do love her. I am hoping that I am able to exit before she passes from the emphysema so I can finish my promises to her. Thank you for ya'lls help to become closer to God. Your brother in Christ, Joey, Fl

Dear Partners,

I have just come back from 2 weeks away with grandchildren and managed to get a king size cold! Luckily, I missed the Northwest heat wave by a few days! There is lots of news, the biggest news is that the Hogar Resa group has moved out of our building. We had begun to have problems and decided this was the best course of action. Moving out on June 1, we found so much needed to be done at the home before another local group can move in. One of the most disappointing things was that there were evidently no termite inspections and the property now needed tenting. Along with termites we discovered stray cats had been allowed on the property and we had a infestation of fleas! Cox Pest Control from Arcadia tented the building last week and Mike Runner has sprayed for the fleas, which will need 2 more treatments. Sad to say, the building was not really well cared for and we have lots of repairs. A church group from Tampa is scheduled to come this weekend to help with the cleaning.

Fences will need to be replaced as well as some appliances. What we are really in need of is good servicable outdoor furniture: sofas, tables and chairs. If any of you have such a thing, please call me. Also ice chests and garden tools, even a lawnmower.

Having been on my first 'vacation' in 2 years, I want to thank Jan and Mary and all the volunteers who did a beautiful job not only at the office, but helping get the other property ready. We were all apprehensive because of the new computers and new programs we had installed in the spring, but everyone and everything worked flawlessly except for one minor hitch, not anything serious. All of this while Monie, our SIM courier was out of town. Jan took over getting the lessons to SIM for grading and bringing in the graded lessons. Monie and I both went to Idaho, but different areas. Throughout the month everyone performed their duties so well that I may need to go out of town again! After all, my other grandkids need visits too!

The celebration of our nations birth is Sunday, July 4. I pray you all enjoy this day as I fear that things will not return to what we have known in the past. Times are rapidly changing.

*“ This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, highminded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away. For of this sort are they which creep into houses, and lead captive silly women laden with sins, led away with divers lusts, Ever learning, and never able to come to the knowledge of the truth. 2 Tim 3:1-7*

*“But the day of the Lord will come as a thief in the night; in the which the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also and the works that are therein shall be burned up. Seeing then that all these things shall be dissolved, what manner of persons ought you to be in all holy conversation and godliness, Looking for and hasting unto the coming of the day of God, wherein the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat?*

*“Nevertheless we, according to his promise, look for new heavens and a new earth, wherein dwells righteousness. Wherefore, beloved, seeing that you look for such things, be diligent that you may be found of him in peace, without spot, and blameless. 2 Peter 3:10-14*

*Much love,  
Eileen Sala*
